Resolved, That we have learned with surprise that the Grand Jury for the county of New York, at its February session, presented an indistancent against Wesley Smith, Eq., the Alderman of our ward, charging him with acts of official micronduct.

Seq. the Alderman of our ward, charging him with acts of official misconduct.

Resolved, That, as deferon the principle that every man shall be deemed to be innocent until by competent evidence he is proven to be guilty, we have unshaken confidence in the personal and official interrity of our Alderman, whom we have known and respected from his childhood, and who has uniformly discharged from his childhood, and who has uniformly discharged from his childhood, and who has uniformly discharged the duties of his office to the ending antifaction of his constituents, and that he he satisfied the and has our warmest sympathy and an uniformly discharged information of the ending at the heads of any man, taken before a body of grand inquisitors, themselves either prompted by motives which are not apparent, or actuated by prejudice, passion, or false testimony, is not sufficient to taint the good name and fame of she citizen.

Resolved, That the system of grand juries is alike unfitted to ree institutions and dangerous to the rights and liberties of a republic; and that in view of the improper use to which its powers may be put, and the necessarily similed knowledge which those bodies are allowed by law to possess, it is eminently proper that presentments should not be allowed any weight in the formation of an opinion of the guilt of a person charged by the Grand Inquest.

Resolved, That a copy of these resolutions, signed by the President and Secretaries, be sent to Alderman Smith, and he published in the New York Herald, Tribune, Times, True Democrat, Evening Post, Sun, Courier and Enquirer, and Staata Zeitung.
